THE FUTURE

There are young women all over the world right now... racing quarter midgets, junior dragsters, go karts, mini sprints and sprint cars and they are dreaming.

They are dreaming of making it to the top levels of racing...

and they will fulfill their dreams!

Women IN THE WINNER'S CIRCLE FOUNDATION

Founded in 1994 by Lyn St. James, the Women in the Winner's Circle Foundation is a 501(c)(3) organization that focuses on worldwide activities and programs for driver development, advocacy, diversity and education, particularly for women who aspire to become race car drivers.

The Foundation is dedicated to making a difference and reaching the point in time when "opportunity" and "diversity" are no longer concerns – they are taken for granted.

Providing leadership, vision, resources and financial support to help create an environment of opportunity for women's growth in the automotive and competitive motor sports fields.
